

568 High Street  
Burlington, N. J.

My dear Mrs. Manley.

My delay in writing  
has been because we have  
been trying to make arrange-  
ments to accept your most  
kind invitation.

Doctor already had a big  
meeting of the N. A. A. C. P. on  
Sunday. Altho he is president  
and should attend he has been  
trying to get one of the vice  
presidents to take over the  
meeting. Since last night he  
has found out it is impossible  
to get anyone, so he will have  
to attend.

We are both sorry to have to  
miss such an occasion.

Best wishes for a very success-  
ful season -

Yours truly,  
Alfred Mrs. Chas. Gibson
